CAREER OBJECTIVE

Aspiring B.Tech student seeking internships to apply practical skills across data analytics, cybersecurity, and full-stack development. Eager to collaborate, solve real-world problems, and grow across technical and non-technical domains.

EDUCATION

B.Tech (Computer Science)	Vignan Institution of Technology and Science, Hyderabad	2024 – 2028 (Pursuing)
Intermediate (State Board)	Excellencia Junior College, Hyderabad — 90.3%	May 2024
Secondary School (SSC)	Ravindra Bharathi School, Hyderabad — CGPA: 9.8	May 2022

TECHNICAL SKILLS

Languages: Python, C, Java	DBMS: SQL, MySQL, Oracle 10g	Web: HTML, CSS, JavaScript, Next.js
Tools: Tableau, Git, GitHub, Excel	Platforms: Oracle Cloud Infrastructure	Other: MS Office Suite

JOB SIMULATIONS (FORAGE)

Deloitte Australia — Data Analytics Job Simulation *Jan 2026*

- Created a data dashboard in Tableau to visualize business performance metrics
- Used Excel to classify datasets and derive actionable business conclusions
- Completed a simulation in data analysis and forensic technology

Deloitte Australia — Cyber Security Job Simulation *Feb 2026*

- Supported a simulated client through a cybersecurity breach response scenario
- Analyzed web activity logs to detect and flag suspicious user behavior

PROJECTS

Student Management System: Designed E-R diagrams and full DB schema; implemented DDL/DML queries in SQL for end-to-end student record management.

Sales Data Analysis Dashboard (Tableau): Built interactive dashboards visualizing regional sales trends, profit distribution, and market performance insights.

Web Application (Next.js): Developed a responsive full-stack web app with login functionality, interactive UI, and modern component architecture.

YouTube Video Downloader (Python + Tkinter): Desktop app using yt-dlp for video downloading; custom Tkinter GUI for URL input, download control, and local file management.

CERTIFICATIONS

- **Programming in Java** — NPTEL (AICTE-Swayam)
- **AI for All** — Infosys
- **Generative AI for All** — Infosys
- **Oracle Cloud Infrastructure for Sunbird Ed** (75%)
— Oracle

EXTRA-CURRICULAR & INTERESTS

NSS Volunteer: Community service, cleanliness drives, awareness campaigns; built leadership and teamwork skills.

Interests: Football athlete, philosophy literature, music (listening & playing), cinephile

SOFT SKILLS & LANGUAGES

Soft Skills: Communication (multilingual), Analytical Thinking, Leadership, Teamwork, Adaptability, Time Management

Languages: English, Telugu, Hindi
